WASHINGTON, DC SUMMIT FOR MOTORIZED OFF-HIGHWAY VEHICLE RECREATION

DO NOT PROCRASTINATE ON MAKING YOUR TRIP ARRANGEMENTS OR
YOU MAY PAY DEARLY!

Some suggestions follow regarding air travel and hotel accommodations for our Motorized Off-Highway Vehicle Summit event in Washington, DC July 11 thru 14.

TRAVEL: Some participants have found very low air fares (under \$300 round trip) with Jet Blue if reservations are made soon. Jet Blue flies into Dulles from many cities. There is a shuttle service available from Dulles to Washington downtown for \$25 for the first person and \$8 for every other passenger up to a total of 7. Just call 1-800-bluevan.

HOTELS: Hotels are expensive in Washington, DC and fill up fast. We recommend that you make reservations as soon as possible. The best deal we have found is the Red Roof Inn for under \$100. We've stayed there before and it is not fancy but it is clean. There is a very good restaurant attached. Call 202-289-5959 or book online at www.redroof.com.

Best Western at www.bestwestern.com/best.html gives rates for two close-in hotels in the \$119 to \$160 range.
